- › Presentation/Demonstration
- › Project

PRACTICAL TRAINING LOCATIONS - QLD

Unit 3, 11 Mountjoy Street Woolloongabba, Brisbane, Queensland 4102, Australia

ENTRY REQUIREMENTS

AUR Training Package has specific entry requirements for this qualification. The individual who is undertaking Certificate IV in Automotive Mechanical Diagnosis must have completed Certificate III qualification or be able to demonstrate equivalent competency.

MIT's entry requirements are as follows:

- Must be 18 years of age or over
- Completed year 10 or equivalent
- Minimum 6.0 IELTS score or equivalent if applicable

International students are required to hold Overseas Student Health Insurance cover for the duration of the course

International Students may not be required to provide evidence of English Language competence where documented evidence can be provided to demonstrate any of the following:

- The student was educated for 5 years in an English-Speaking country.
- The student has completed at least 6 months of a certificate IV level course in an Australian RTO.
- The student has successfully completed AC English Placement Test.
- The student has successfully completed their High School in English Language.
- Workplace Training: Students are required to have access to the workplace. Queensland School of Beauty Therapy/ Master's Institute of Technology may help you to find the appropriate workplace if required.

Please note: All the students are required to successfully complete LLN test at the time of enrolment.

RECOGNITION OF PRIOR LEARNING

Students may apply for Recognition of Prior Learning (RPL) by providing evidence that they have the required skills and knowledge in the specific areas of competency through work / industry experience and/or completed eligible assessments in an equivalent or higher qualification. Appropriate credit transfer may be granted to eligible students against each unit of competency on evidence to successful completion of the same unit in an equivalent or higher nationally endorsed qualification. Students with credit transfers or recognition of prior learning will finish the course in a shorter duration and are advised to consult appropriate authorities/bodies for applicable criteria if they are planning further study or stay in Australia.

Recognition of Prior Learning

Recognition of prior learning (RPL) is an assessment process that involves assessment of an individual's relevant prior learning (including formal, informal and non-formal learning) to determine the credit outcomes of an individual application for credit.

Credit Transfer

Credit transfer is a process that provides students with agreed and consistent credit outcomes for units of a qualification based on identified equivalence in content and learning outcomes between matched qualifications.

AUR40216
